

the numptr stack

our pick for every job · built 2026-10-16 · numptr.com/stack

the numptr weekly
tools ranked, prices checked

the tool we'd point a mate at first, for each job. scores are ours, prices are from the vendor's own page on the checked date. nobody pays to rank.

numptr-stack.txt			
job	our pick · score · why	from	checked
coding agents	Claude Code 9.0/10 best at multi-file work. you hit session limits, not surprise bills.	Pro \$20/mo (\$17/mo billed annually) free tier: no free access: Claude Code needs a paid Claude plan (Pro and up)	2026-10-16
